VOL. LIX: No. 23. REDWOOD CITY, CALIFORNIA, SATURDAY, SEPTEMBER 6, 1919 ESTABLISHED 1859

RECEPTION GIVEN P. P. CHAMBERLAIN SATURDAY AT HOTEL SEQUOIA

Saturday evening the Hotel Sequoia was the scene of an appetizing banquet spread in honor of P. P. Chamberlain ,who left on Wednesday of this week, for Columbus, Ohio, where he will represent Geo. S. Evans Post, G. A. R. at the national encampment of this patriotic order.

The affair was a surprise to the honored guest and was arranged by Mr. and Mrs. B. L. Mason, the new proprietors of this popular hotel.

Twenty of the leading citizens of the community were seated at the festive board to honor this grand and noble veteran of the Civil War and who has guarded the funds of San Mateo county for over thirty years and whose honest, integrity and faithfulness to his charge has never received the slightest shadow.

The long table in the dining hall was beautifully decorated befitting the occasion. In the center of the table was a large flag, and extending the full length were beautiful flowers and at each place was a white carnation with a tiny American flag attached, the place cards were lithographed in colors and added to the attractiveness of the occasion.

The subject of this article will carry the memory of this token of friendship to his boyhood romps and there reflect over the kindly words and acts of those whom he left behind, because such a parting cannot soon be forgotten.

Mr. and Mrs. Mason deserve some consideration on the elegant repast and artistically decorated surroundings which required no little thought and artistic inclinations. If the management prepared this feast as a sample of their efforts they certainly have no competition in this section of the state.

DENNIS MARTIN, THE NOTED PIONEER OF S. M. COUNTY

Dennis Martin, the pioneer of San Mateo county, in his days of wealth and popularity did not forget humanity and after moving to Portola in the early fifties after he had acquired the Pulgas Rranch, his first thought was to build the church, and he took the matter up with the Jesuit Fathers at Santa Clara, accordingly, and in 1854 the first Catholic church of San Mateo county was built on his land near Portola, and all expenses for construction and otherwise was defrayed by him, and the church was known as St. Dennis. When this great benefactor passed away, the property came into the possession of Senator Stanford, and the church became delapidated and finally went out of existence.

The Knights of Columbus will commemorate the event on the 28th of September by celebrating mass in the Portola church.

The family club, many of whom are Knights will have charge of the literary program, and an effort will be made to have some of the early pioneers there, and it may be possible that some of them will recount some of the events of St. Dennis. All those who will furnish automobiles can assist in furnishing transportation, kindly call upon the local committee, J. J. Shields, Joseph J. Hahir, and Compte O'Connell and James L. Duff, Menlo Park or Jas. T. O'Keefe or Prof. Maloney, of Palo Alto.

SARAH EMELIA KIRTLAND PASSED AWAY IN SAN JOSE

Sarah Emelia Kirtland, a native of Connecticut, aged 88 years, passed away at her home in San Jose on Thursday last. The remains were brought to the James Crowe company's chapel. The funeral of the beloved lady will take place at the Congregational church at 1:30 o'clock this afternoon, interment in Cypress Lawn cemetery.

Mrs. Kirtland is survived by a son, John H. Kirtland, of San Jose. She was the mother of the late Rev. Charles C. Kirtland, pastor of the Congregational church of this city for many years. Mrs. Kirtland resided here for twelve years and up until she had reached her 86th birthday. She was affectionately called by her friends, "Grandma Kirtland" and was held in high esteem and beloved by all who knew her. The death of her son some years ago was a severe blow to the aged woman. She loved him dearly and when he passed away she was broken hearted and disconsolate. She did not dread the mystery of death, feeling confident that its solution would reunite her with him who had gone before.

All day long, the sands of her own life measured, she would sit with folded hands and steadfast gaze, peering into the curtained future, and may not believe that she saw her beloved beckoning to her from the other shore?

FATHER OF PETER B. KYNE VISITS IN REDWOOD CITY

John Kyne of the coastside was a visitor to Redwood City on Tuesday. He is the father of Peter B. Kyne, the famous short story writer. Very naturally Mr. Kyne is proud of the achievements of his son, who is accounted one of the best short story writers in the country. Halfmoon Bay is his birthplace, there he grew to manhood and graduated from the grammar school and this is all the education this noted writer had. He has a natural talent for writing which was developed shortly after he became a resident of San Francisco some years ago. He served with the Grizzlies in France and was a captain. On his return home he received a wireless amid ocean from the editor of the Cosmopolitan stating that he would meet him on his arrival in New York. Kyne had no sooner landed at the docks when he was met by the editor who made him flattering offers for his new stories. A contract was signed therewith.

Mr. Kyne is to receive $42,000 for twenty short stories, two of which have already appeared in the magazine, $15,000 for a novel and $5000 additional for moving picture rights, making a total of $62,000 for his work.

The writings will deal with his experience at the front. San Mateo county is proud of Mr. Kyne. He is at present at San Diego, but soon intends to make his home in San Mateo county the home of his youth.

ASKS P. O. DEPARTMENT FOR RAISE OF SALARY

The following letter has been sent to Congressman H. S. Hersman by J. E. Cowgill, secretary of the Postmasters' League:

Hon. Hugh S. Hersman, Representative of Eighth District, Washington, D. C.

Being fairly familiar with your public record and your close association with and knowledge of rural conditions I am confident you will give due and careful consideration to the claims of Third and Fourth Class Postmasters if brought to your attention from among the mass of legislation which now is pressing upon you and your associates for immediate action.

I am also sure that you have wide and intimate acquaintance with this class of men and women throughout your district although I did not have the pleasureof seeing and meeting you during your recent campaign.

Quite naturally the Third and Fourth Class Postmasters throughout the country will expect that the Representatives whose districts are comprised largely of rural counties will become the strongest advocates and supporters of any legislation which promises to bring a measure of relief to this class of loyal and efficient government servants who had received no consideration at the hands of congress or the department since 1883, with the exception of the slight temporary increase granted them for 1919; and this regardless that their duties and responsibilities have become manifold since the introduction of postal savings, parcel post, war savings sales, recruiting and employment agencies.

We would respectfully ask that you endorse and support the Moses Resolution, (Joint Resolution No. 84,) endeavoring to have it so amended that it will specifically cover the Third and Fourth Class Postmasters, that we may be accorded immediate relief to meet the present high cost of living, while we await the pleasure of congress to effect permanent legislation in the matter of adequate compensation and fair working conditions in harmony with that of other wage earners. I have assured the postmasters in the eighth district of careful and just consideration at your hands.

Respectfully yours,
JNO. E. COWGILL.

RESOLUTION OF CONDOLENCE

WHEREAS, God in his infinite wisdom, has called from our midst our beloved sister, Fanny Johanna Rogers: therefore, be it

RESOLVED, that we, the officers and members of Olivet Branch, Rebekah Lodge, No. 48, of the Independent Order of Odd Fellows, do extend to the relatives of our deceased sister, our heartfelt sympathy in their hour of affliction and sorrow; and be it further

RESOLVED, that as a token of sorrow, and as a sign of respect and esteem for our departed sister, our charter be draped in mourning for a period of thirty days, and that these resolutions be spread upon the records of our lodge, and that a copy be sent to the relatives of our deceased sister, also that a copy be rwarded to our town paper, the Times-Gazette, for publication.

Respectfully submitted, in
Friendship, Truth and Love,
MARGARET T. HILTON,
U. PEARL GEORGE,
JENNIE PETERSON,

THE SUPERVISORS HOLD MEETING

The board of supervisors met in regular session Tuesday, September 2, 1919, at 10 a. m., there being present John MacBain presiding; T. L. Hickey, W. H. Brown, Jos. M. Francis and Dr. C. V. Thompson.

Chairman MacBain announced that the board was ready to take up the San Gregorio road question, which had been before the supervisors for some time and which had been continued until this meeting.

Supervisor Thompson addressed the board in the matter and stated that the majority of the people of the Fifth township were in favor of retaining the old road and abandoning the new, and that it was now up to the supervisors to take some action in the matter.

Judge Edw. F. Fitzpatrick, representing the people opposing the closing of the new road and the repairing of the old one, said he understood that the board at a previous meeting had instructed County Surveyor Kneese to bring in a report at this meeting on the cost of constructing a new stretch of road from a point known as the "Hairpin" turn on the old road to the concrete culvert at the town of San Gregorio.

Kneese reported that he had made an inspection of the proposed new stretch and found that its construction would add about $1000 to the cost of repairing the old road, making the total cost $16,000. The new stretch would give a maximum grade of 5.8 per cent. The maximum grade over the entire old road would be about 7.8 per cent. The maximum grade on the new road, he said was about 6 per cent.

G. B. Smith, who said he was interested in the building of the new Pescadero to San Gregorio road, addressed the board in opposition to its abandonment, following which Supervisor Brown stated that the board in executive session had decided to retain the present road and would make provisions in the new tax rate for its improvements.

Supervisor Thompson said he was not present at the executive session and did not know of the plans of the board in this respect. He again stated that the majority of the people in the district were in favor of the old road and that the question was now up to the board to take some action.

Following considerable further discusssion Supervisor Thompson moved that the board construct the old road. There was no second to the motion and then Supervisor Brown moved that the board reconstruct the new road, which also failed to secure a second. Thereupon Chairman MacBain asked Supervisor Brown to take the chair and then MacBain made a motion, that it be the sense of the board that the new road be retained and that provision be made in the tax levy for its improvement. Supervisor Hickey seconded the motion, which was carried on roll call by the following vote:

Ayes—Supervisors Hickey, Brown, Francis and MacBain.

Noes—Supervisor Thompson.

Attorney Lee T. Ross then addressed the board and presented a resolution, which he stated had been prepared back in last November, when the coastside road matter first came up, and which provided for the abandonment of the old road through the Ross property at San Gregorio. The resolution was adopted, on motion of Francis, seconded by Brown, all the board voting "yes" on roll-call with the exeception of Supervisor Thompson.

Judge Edward F. Fitzpatrick, representing C. L. Dimmitt of Redwood City, presented a map of the north eastern addition to the Fair Oaks tract in the Third township, together with resolutions calling for the abandonment of certain streets in the tract, which are considered no longer necessary for public travel.

The map was accepted, on motion of Brown, seconded by Francis, and the resolution calling for the abandonment of the streets adopted.

After consideration of the auditor's estimate, the following resolution establishing the county rate was adopted, on motion of Hickey, seconded by Francis.

Resolved, by the authority vested in the board of supervisors by and under the provisions of Section 3714, Chapter V, Article 2 of part 3, of the Political Code as amended:

IT IS HEREBY ORDERED THAT the rates of taxes levied by the Board of Supervisors of the County of San Mateo, State of California, for the fiscal year 1919, for State and County purposes upon each one hundred dollars of the assessed valuation of the property in the County of San Mateo, State of California, be and the same are hereby fixed and ordered collected ,as follows:

The board received only one bid, that of C. B. Cowden of San Francisco in the sum of $2400, for the construction of a concrete retaining wall on the Redwood City to La Honda road, and as it was deemed too high by the board, it was ordered, on motion of Brown, seconded by Hickey, that the offer be rejected. The estimate of County Engineer Kneese for this work was $1800.

It was then ordered, on motion of Hickey, seconded by Brown, that the matter of constructing the retaining wall be left in the hands of the supervisors of the Third township and the county engineer.

District Attorney Swart to whom the matter of the responsibility for the maintenance of the State highway through the Town of Redwood City had been referred at a previous meeeting for a legal opinion, reported that he had taken the question up with at least a dozen leading attorneys of the State. The unanimous opinion of all of these was that while the Act giving the counties the right to construct highways through incorporated cities does not say that the county must maintain the said highways, there is a legal obligation on the part of the counties to do so, just as there is for any supervisor to build or maintain a certain road in his district. The opinion was, however, that the board of supervisors could not be mandamused to take care of the maintenance of the highways.

Following the report of the district attorney, Chairman MacBain announced that he had received a bid from Blanchard, Crocker & Howell to repair the stretch of highway through Redwood City with a Topeka surface at the rate of nine and one-quarter cents per square foot, including the removing of the old surface and the replacing with the new.

On motion of Hickey, seconded by Francis, the bid of the above firm was accepted, Chairman MacBain stating that he would see that there was no more of the road taken up than necessary.

A communication was received from Senator Hiram Johnson, acknowledging receipt of the letter from the supervisors recommending the establishment of a naval base for the Pacific Coast on San Francisco bay.

Supervisor Hickey addressed the board and announced that there was a vacancy in the county board of education due to the recent resignation of Mark E. Wood, and he placed in nomination for the position Louis E. Adams, pricipal of the South San Francisco grammar school. Supervisor Brown seconded the nomination and Adams was elected by ballot.

SAN CARLOS NOTES

Mr. and Mrs. J. A. Marchant with one little girl of school age have moved into their new bungalow near the Farnham's.

Growing weary of crossing the bay on his way to and from work for the past 20 years, Mr. F. T. Odgers and family of four children have moved into the old Winter place temporarily while their new home is being built on the corner of Chestnut and Cherry.

If families of the Rooseveltian creed continue to flock to San Carlos as the most desirable place of abode it will be only a short time until we will be forced to employ another teacher in our schools or adopt the better plan; which was suggested to us by our Superintendent of Schools, that of transporting our children who have reached the sixth grade, by motor buss to the county seat where they can enjoy the benefits and advantages of drawing, music, manual training for the boys and domestic science for the girls as they are taught in the Redwood schools by specialists who are especially equipped for this class of work; a system we can not hope to establish and maintain in our schools for some years to come. It is to be hoped that the mothers and fathers of Belmont and San Carlos will get together on this particular proposition, lay aside all local jealousies and community narrowness, and arrange for their children to enjoy these privileges with free transportation before it is too late for many of the advanced pupils in our schools If this were adopted there is no doubt but that the business men and parents of Redwood City will again wake up to the importance of reopening the community center where our children from out-of-town can go to eat their lunches and for recreation, with the same degree of protection and oversight as if their mamas were right with them. If we continue to oppose this splendid project, the first thing we know the people of Redwood will begin to think that we are afraid to pit the intellects of our boys and girls against that of their Johnnies and Marys.

Those of us who were for Johnson with both feet at the time he campaigned for governor the first time, with only one plank in his platform, "that of putting the Southern Pacific out of politics" were mighty lonesome numerically speaking, as San Mateo county at that time was the most reactionary and the most machine-bound county in the state. But how the "world do move" and how great minds still do change on occasion; and we wonder now if the politicians went over to Johnson, or if Johnson capitulated to them with a presidential bee. And it is really amusing how these politicians now love the women, while at the time Maude Younger was touring the state in the interests of suffrage every one of them ducked and declined the honor of acting as chairman of her meetings as she campaigned through the county.

Why a resolution passed in the United States Senate forbidding the President of the United States from crossing the continent on a speech making tour? Are the politicians afraid for Woodrow Wilson to meet the people for fear he might corrupt them?

We note that some of the U. S. Senators who are opposed to the League of Nations in its present form are figuring on trailing Wilson on his western tour. Why not precede the gentlemen and give him an opportunity to reply to some of their concrete and constructive propositions. It must be easier to knock and criticise!

Mrs. E. E. Jones and her sister, Miss Urseline Lemis went to Santa Cruz for the week-end.

Mr. and Mrs. Massaasburg and Mr. Fletcher of San Francisco were dinner guests at the Gaspar home last Sunday.

Mrs. W. O. Scnall and Mrs. F. Stewart of San Francisco were weekend guests of Mrs. D. L. Stewart.

Mr. F. T. Odgers ad family of Elmhurst have moved into the Winter's house temporarily while their new home is under construction.

The representative of the Postmasters' League at Washington has secured a blanket permit covering all postmasters of the Third and Fourth Class allowing them leave of absence to attend the state and national conventions of the League Thus relieving the postmasters of the trouble of making personal application and also saving the department the work of handling an enormous amount of correspondence

The following out-of-town visitors were at the Ohio building last Sunday: Mrs. Theo. A. Fourcher and children of Los Angeles; Frank Ray Fife, W. M. Payne, F. M. Hyde, H. W. Kerhardt, Dranzy A. Jones, H. G. Croom, Mabel Lee Woodruff, D. W. Woodruff, M. L. Crigler, R. E. Allen, J. W. Crigler, Mr. and Mrs. Geo. W. Kneese of San Francisco; Mr. and Mrs. E. F. Brown, the Misses Clarice Cullen, Marie McCoy, Redwood City; Adeline Keller, Oakland; Geo. Von Glahn, Arthur L. Gorla, San Francisco; Joseph Hayes, Philadelphia; Boley H. Caldwell and wife, Beresford, and J. E. Henley from Standard, Tuolumne county.

CURTIS BROTHERS BIG SHOWS ARE COMING

The Curtis Brothers shows arrived in town and will be with us September 6th to the 9th inclusive. They have played all of the big celebrations of the year up to date including the Raisin Day Celebration at Fresno, also the 100 Per Cent Exposition at San Jose, Fourth of July at Napa, and just finished playing at the Egg Day Festival at Petaluma, and they are now on their way to fulfill their contracts with the San Luis Obispo, Santa Clara, Ventura and Riverside Fair Associations. The Curtis shows are a part of the old H. W. Campbell shows which toured this state in 1904-15, it was at that time a 26-car show carrying 185 people.

NOTED POLITICIAN BECOMES RESIDENT OF BURLINGAME

Al McCabe, state insurance commissioner and private secretary to Senator Hiram Johnson, while he was governor, has become a resident of San Mateo county, having purchased the attractive home of Ernest Smith of Burlingame. The sum of $10,500 was paid for the beautiful home. Mr. McCabe is one of the best known politicians in the state. He managed all the campaigns of Hiram Johnson in this state for many years.

McCabe is an astute, clever political leader who is acquainted with almost every politician in California of any prominence. The name of Al McCabe is known from one end of the state to the other.

WIFE RECEIVES ALIMONY

Judge Buck has allowed Mrs. Alice C. Decker alimony in the sum of $125 a month for the support of herself and two minor children. Her husband, Charles M. Decker, the South San Francisco dentist, some time ago brought an action in the superior court for an interlocutory decree of divorce.

ELOPED COUPLE MARRIED IN REDWOOD CITY

Norman Jacobson and Helen F. Naccarini, aged 18, secured a marriage license here on August 22 and were married on the same day by Judge Ray Griffin. The father of the fair bride was here on Wednesday and said the girl had ran away from home a month ago, worrying her family very much. He felt relieved when told that the young couple would reside at Palo Alto. It is evident the girl was under age when she secured the license.

PACIFIC GAS AND ELECTRIC COMPANY — PACIFIC COURTEOUS CONTINUOUS SERVICE

HOW TO BE HAPPY ALTHOUGH IT'S WASHDAY

Washday weariness is one of the things that the housewife dreads—likewise the family. When mother is worn out with the old-time drudgery of doing a big washing, there is little cheer in the house and the day stands out in the week as one appointed for gloom.

That is the state of affairs when washing—the most arduous of household tasks—is done in the old, hard way. With hired help, "washday" disarranges the entire domestic plan.

Elecetricity has revolutionized washing, the same as it has lighting, street car service and nearly everything else—only the fact is not so well known.

There is no labor to electric washing—the machine does all the hard work, and does it perfectly. Then, too, there is the saving. It does a day's washing in a few moments, at a cost of a few cents for current.

Let your dealere give you a demonstration of the electrical washing way.
